A treatise shewing the need we have to rely upon God as sole protector of this province; and the reason of man's degenerating from his state of purity, and the means whereby he may be re-established again. : Also, some remarks made on those two passages in Gilbert Tennent's sermon, viz. swearing, and sabbath-breaking; with a reply thereunto. : Together with something in answer to a late performance, intituled, Plain truth ... with remarks on the authors irreligion ... / By one that wisheth well to all mankind.
